

FIVE YEAR TRENDS

The Authority received intergovernmental revenues (other) in 2019, 2020, 2021, 2022 and 2023. The amount in 2022 of \$36,828,152 and the 2023 amount of \$36,575,925 were federal/state assistance for a toll road project. Local contributions were: \$80,000, \$105,000, \$90,000, \$80,000, and \$80,000 respectively. These local contributions were the result of a ten-year commitment between the Authority and five local cities. This year (2023) was their final participation of such agreement.
