

TO WHOM IT MAY CONCERN:

This will serve as your notice that temporary road closure shall take place on south 10th Street (SH336) on Thursday, January 9, 2025 and Friday, January 10, 2025 from the hours of 7:00PM to 6AM each night.

Pulice Construction Inc. (prime contractor) will be installing bridge girders at proposed 365 Tollway and SH336 (10th Street) overpass.

The contractor will cooperate and coordinate with the engineer and other contractors working within or adjacent to the project limits. 10th Street (SH336) will be appropriately signed and barricaded, and traffic detoured accordingly. The traveling public must abide by all regulatory traffic laws, take reasonable precautions, and drive defensively within the construction zones to prevent damage, injury, or loss. Alternate routes are recommended as delays may be anticipated.

The Hidalgo County Regional Mobility Authority and Pulice Construction Inc. appreciate the public's cooperation as we work together to bring this project to fruition.
