

The following is for abandoned water well newspaper advertisement:

To property owner or utility provider within the Hidalgo County and the city limits of Pharr, Texas: at the intersection of US281(Cage) and the Main Floodway where roadway construction crews will begin construction of a bridge overpass, storm sewer, and irrigation systems on westside of subject intersection.

This notice is to advise the owner(s) affiliated with:

Geo. J. Mellinger #2 oil well located Northline tract 27, Kelly-Pharr Subdivision, Porcion 69, Hidalgo County, Texas. License to Drill Geo. J. Mellinger #2 Tract 277, Kelly-Pharr Subdivision, Porcion 69, Hidalgo County, Texas.

This notice is to advise the owner(s) they have 30 days to claim ownership of this utility line (meaning they must claim by Tuesday, June 26, 2026), after which time utility shall be considered abandoned. Crews will begin to cut, plug, and cap unknown utility (cathodically protected steel pipe) at said location.

Please contact the Hidalgo County Regional Mobility Authority (Construction Division, Attn: Ramon Navarro IV, 203 W. Newcombe Ave., Pharr, Texas 78577) at 956.402.4763, e-mail: contact@hcrma.net as soon as possible.
