

TO WHOM IT MAY CONCERN:

This will serve as your notice that a temporary flagger operation shall take place on FM 494 on Thursday and Friday, September 3rd and 4th from 9AM to 4PM.

Pulice Construction Inc. (prime contractor) will be erecting poles and installing span-wire along the Eastbound Frontage Road of the 365 Tollway.

The contractor will cooperate and coordinate with the engineers and other contractors working within or adjacent to the project limits. FM 494 will be appropriately signed and barricaded. The traveling public must abide by all regulatory traffic laws, take reasonable precautions, and drive defensively within the construction zones to prevent damage, injury or loss. Alternate routes are recommended as delays may be anticipated.

The Hidalgo County Regional Mobility Authority and Pulice Construction Inc. appreciate the public's cooperation as we work together to bring this project to fruition.

For additional information, please visit www.HCRMA.net or call (956)402-4763.
